RUBICON SAFETY INC. CPO APPROVED WORKING AT HEIGHTS APPROVED TRAINING

Ministry of Environment Director Approved Training – 0.7 CEU (Course Code – 12668)

Employers must ensure that certain workers complete a Working at Heights training program that has been approved by the Chief Prevention Officer (CPO) and delivered by a CPO approved training provider before they can work at heights. Our training not only meets the standards for the Ministry of Labour approval, it has also been approved by the Ministry of Environment.

This training is for workers in the municipal environment who use any of the following methods of fall protection: travel restraint systems, fall restricting systems, fall arrest systems, safety nets, work belts and/or safety belts and need to collect CEU credits.

Each participant is required to bring government issued photo ID, & CSA approved safety footwear, as well long pants must be worn. Participants who do not have the required identification, and footwear, will be removed from the class & will not be provided a refund.

CERTIFICATION IS VALID FOR THREE YEARS!
